Prescription Medicines – 18th Asian Games Jakarta Palembang 2018

Dear Colleagues,

In compliance with the OCA Medical and Anti-doping guidelines and No Needle Policy applicable for the 18th Asian Games Jakarta Palembang 2018, we request all accredited members of the Indian contingent staying in the Games Village to comply the following:

- It is the responsibility of the National Sports Federations and their appointed officials to ensure that prescription medicines carried by the Team/ Athlete do not contain any WADA prohibited substance.
- Medicines should be carried/ kept in sealed transparent cover. A copy of the prescription by licensed doctor including details of medical condition, quantity of medicines, etc. should be always maintained.
- if any official is required to take insulin or any other intravenous medicines as prescribed during stay at Games Village, they are required to store the medicine and needles in the IOA Office/ Polyclinic in the Village.

Sincerely,

R. Mehta
