Dear Sir,

As you may be aware, IIIT-Delhi is an autonomous Institute of Government of Delhi, which is regarded as one of the premiere institutions in the country in education and research in IT. For admission to its very competitive and highly regarded B.Tech. programs, there is a provision of giving up to 10 bonus marks to students who have demonstrated talent and achievement in a few fields by getting highly reputed scholarships/awards. These bonus marks are in addition to the marks that a student gets based on the JEE (Main) and class XII marks for admission through JAC and IIITD admission process.

We are happy to inform you that the Institute's Board has approved that recipients of the following awards/scholarships given by your organization are eligible for bonus marks:

Scholarship/Award/Competition	Bonus marks
Participation or winning a medal in Priority or High Priority discipline defined by SGFI in National Championship organized by a National Sports Federation in Junior category	6 Marks

We request you to kindly inform all recipients of the above awards/scholarships about this excellent opportunity. We will appreciate if you could also display the above information on your website for the benefit of the students participating in the scholarship/awards/competition being organized by your organization. More about the institution and admission is available at the Institute website: [www.iiitd.ac.in](http://www.iiitd.ac.in).
