Date:

### Criteria for giving Dronacharya awards to Coaches

1. 80 % weightage will be given for the medals won in various International championships by the sportspersons, trained by the coach for at least 240 days immediately preceding the tournament. The International championships and sports events will be in respect of the disciplines covered in Olympic Games (Summer, Winter and Paralympics), Asian Games and Commonwealth Games. Points for winning medals by trainees will be given to each eligible coach during the last 4 years as per marks given in the table below:

S. No.	Event	Medal		
		Gold	Silver	Bronze
1.	Olympic Games/ Paralympics	80	70	55
2.	World Championship/World Cup (once in 4 years )*	40	30	20
3	Asian Games	30	25	20
4	Commonwealth Games	25	20	15

\* For World Championship/World Cup of different periodicities, proportionate marks will be given

2. Equivalence of any other sports discipline/tournament, not listed above, will be decided by the Selection Committee with reference to above-mentioned categories of sports tournaments and the points will be allotted accordingly.

3. For team events, marks will be computed taking into consideration strength of the team. If prescribed marks for an individual event are 'A', in the case of team event, the marks will be computed as follows:

- (i) A team of 2 persons:  $1.5 \times \text{'A'}/\text{number of persons in the team}$
- (ii) A team of 3 or 4 persons:  $2 \times \text{'A'}/\text{number of persons in the team}$
- (iii) A team of 5 to 10 persons:  $3 \times \text{'A'}/\text{number of persons in the team}$
- (iv) A team of more than 10 persons:  $5 \times \text{'A'}/\text{number of persons in the team}$

4. 80 marks will be given to the coach getting maximum points as computed in the table above. Rest of the coaches will be given marks proportionately to the said coach. For example if say a Coach "A" has got highest points say 45 points as per table above in his/her sports discipline and Coach "B" got 40 points as per table above, then A will get 80 marks and B will get  $(80 \times 40 / 45) = 71.11$  marks.

5. 20 % weightage will be given to the marks given by the Selection Committee for assessment of the eligible coach keeping in view profile and standard of the sports events in which his trainees have won medals.

6. For Cricket and indigenous games, which are not Olympic / Asian games / Commonwealth Games disciplines, the Selection Committee will recommend the coach(es) taking into consideration the performance of the sportspersons, coached by them.
7. Normally not more than 5 awards could be given in any calendar year. Out of these, 2 will be earmarked for lifetime contribution in coaching. This condition can be relaxed only in exceptional circumstances to be recorded in writing. Further, not more than 1 award will be given in each discipline in either of the two categories of Dronacharya Award.
8. In a particular sports discipline, names of not more than 2 coaches with the highest marks as per the criteria brought out in the table above will be considered by the Selection Committee.
9. Selection Committee will recommend the final list of coaches for the Awards as per the marks obtained in terms of the criteria indicated above.
10. Selection Committee may not mechanically recommend Dronacharya Award to the recipient of the highest marks across disciplines. But in a particular sports discipline, award will be recommended only for the recipient of the highest aggregate marks.
11. The marking criteria will not apply to coaches to be selected on the basis of lifetime contribution in coaching. Selection Committee will give its recommendations for such two coaches taking into consideration the contribution made by them over a period of 20 years or more in terms of producing outstanding sportspersons.
12. The recommendations of the Selection Committee will be placed before the Union Minister of Youth Affairs & Sports for the final decision.
