## **Subject: Unrecognized World 10K Run**

Dear All,

This is to inform you that Athletics Federation of India has not granted the permission for World 10K Run to be held on 27<sup>th</sup> May 2018 at Karnal (Haryana).

In this regard, some athletes have approached Athletics Federation of India with a query about the 'Status' of World 10K run. They have been informed that world 10K Run is not recognized by Athletics Federation of India nor by IAAF.

You are strongly advised to skip this unrecognized Marathon as Athletics Federation of India is unsure regarding the course measurement. AFI is concerned regarding the safety of all participants as AFI officials are not part of this unrecognized Marathon.

However, organisers are claiming that this race is 'World' 10K Run which is misleading to athletes & officials as this is not recognized by AFI or by IAAF.

This is for your information and necessary action please.

Regards,

Yours sincerely,

CK Valson

Secretary, AFI
