## **CIRCULAR NO. 24**

August 8, 2019

Dear Colleagues,

As you are all aware that AFI is making lot of efforts for the development of Athletics across India. We have designed our Annual Athletics Calendar in line with International Athletics Calendar. AFI is also organising continuously Coaching Camps to provide necessary training & facilities under the expert coaches to enhance the performances of athletes.

It is noticed that in the absence of the best athletes, the State meets are losing their charm. In order to make it compulsory for the outstanding athletes to participate in the State meets, the Planning Committee of AFI has decided to conduct the State meets (only for seniors) strictly in the slot of 7 to 10 days provided by AFI. This decision will come in effect from the year 2020.

AFI will ensure that all the campers are released for their participation in State meets. This will help to strengthen the State calendar & the participation of outstanding athletes will encourage the youngsters. You are requested to send your views about this proposal on the enclosed proforma not later than 20<sup>th</sup> August 2019.

This proposal will also be applicable to all affiliated Boards and separate slot will be given to them to ensure that all departmental athletes should also compete in various inter-departmental and national competitions.

Regards,

Yours sincerely

Adille Sumariwalla
