All Affiliated State Units – AFI

October 15, 2019

Dear Sir/Madam

I am bringing this fact which is disturbing all including media about the participation of athletes from the other states which they do not belong to. Most of the athletes are representing Manipur inspite of the fact that neither they are doing job in Manipur nor they belong to that state. Therefore, it has been decided to link this with the AADHAAR Card and in case somebody is doing job in that particular state, he/she needs a letter from his/her employer in this regard for getting the entry.

We have already requested all affiliated units to send the minutes of the Selection Committee and results of the Athletics meet on the basis of which the athletes are selected to represent their state. If we do not find the name of athlete in the list, the entry of this type of athletes will not be accepted from that state.

The policy for the Inter State/Inter Departmental transfers will be shortly sent to you and same will also be put on AFI website. Kindly give this a wide publicity to stop the participation of athletes from the other states which they do not belong to.

Regards,

CK Valsan  
Secretary, AFI
