## CRITERIA FOR RECOGNISING RACES AND RACE RESULTS FOR SELECTING ATHLETES FOR WORLD AND ASIA & OCEANIA CHAMPIONSHIPS

### Introduction

1. The Ultra, Mountain and Trail Running Committee of Athletics Federation of India seeks to promote the healthy growth of the sport of ultra, mountain and trail running across the country. Race organisers provide a platform for the athletes to perform across the various disciplines of the sport of ultra, mountain and trail running. While all ultra and trail distances or races provide a training platform to athletes, only a few races and distances are considered as qualifier races for selection to international championships. 2. Selection criteria, qualifier races and qualifying period for selection of athletes to the World or Asia & Oceania Championship in the category of 24 Hour, 100 Km and Trail are announced and published from time to time for the year by AFI on its web page. **Criteria for 'race recognition' and 'race result recognition' are given in the paragraphs below.**
