Circular No. 38/08-2021

August 17, 2021

To

All Affiliated Units - AFI

Dear Colleagues

We are pleased to inform you that Mr. Neeraj Chopra has won the Gold Medal in the recently concluded Tokyo 2020 Olympic Games. This is the first ever medal won by the Indian in Athletics. It will boost the Track & Field in the country and we all need to use this opportunity to popularize the Track & Field in the districts/states and at the national level.

Athletics Federation of India, in its endeavour, to further promote this event, is now conducting the Javelin throw event as the National Championships in all age groups and has engaged two foreign coaches. AFI will celebrate the 7th August when Mr. Neeraj Chopra won Gold Medal in Olympics as **"JAVELIN DAY"** and will conduct Javelin event at all the state level meets to celebrate this day. So, you are requested to be a part of this celebration and endeavour of AFI to further strengthen this event.

AFI is also thinking of introducing the Javelin event at district level and later on extend to all districts, so that more and more talented Javelin throwers come to limelight and can be groomed to be the world beaters in the coming time. This will be the befitting honour to Mr. Neeraj Chopra for his achievement.

Regards

Adille Sumariwalla
