Examination Format -

The candidates who get 60% score will be declared 'Pass' and all the District Athletics Associations must ensure that only such qualified persons are appointed as Technical Officials for their District Athletics Championships. Also those candidates who have passed the DTO examination alone are eligible to apply for next level 'Federation State Technical Officials [FSTO]' examination and shall be considered for appointment in State as well as National Championships as Technical Officials.

There will be classes on officiating various Athletics Events for two and a half hours on Six days. It will be handled by eminent and well experienced lecturers and technical officials and who have officiated on a number of National and International Competitions including Commonwealth Games and Asian Championships. It will be bilingual, that is English as well as Hindi used simultaneously. This will be followed by interaction session for clarifying any doubt with the faculties for which questions shall be sent on WhatsApp. This will help to promote Athletics and ensure proper, fool proof and perfect technical conduct of their District Championships.

All the State Athletics Association Secretaries should consider this matter very seriously. You must ensure the participation from every district in your state since there is lot of rooms for improvement in standard of technical conduct of Athletics Competitions at the grass root level. You may convene a meeting of the secretaries of your district units to elaborate this and give maximum publicity through press and social media and ensure that this information is reached every interested person in due time.

Warm Regards,
