**Circular No. 37/09-2022**

September 16, 2022

To

All Affiliated State Units – AFI

Dear Sir/Madam,

It is observed that some of the states are using the members of various committees of AFI as well as vendors fixed by AFI without the knowledge of the Federation. It is requested that no person from AFI staff/committee or vendor should be engaged directly without the permission of AFI.

It has become imperative to use the timing and scoring system for the successful and transparent conduct of the Athletics meet. You are, therefore, requested not to conduct any Athletics meet without the use of timing and scoring system.

AFI will shortly form a committee to fix the rates applicable to our users. Only AFI approved vendor can be used

Apart from the timing and scoring system, Meet Manager job has enhanced and there is need for professional Meet Manager for transparent and efficient conduct of the Athletics Meet. It is observed that some of the people who are not approved by AFI have been engaged by certain states. In future if anybody is engaged without the permission from AFI, that meet will not be recognised. AFI is conducting seminars to enhance the number of Meet Manager enable the other states to use them.

This is for your information and strict compliance.

Regards

Yours sincerely,

Ravinder Chaudhry  
Secretary, AFI
