**Circular No. 13/03-2023**

Dated: March 6, 2023

To

All Affiliated State Units - AFI

Kind Attn: All Meet Organisers for the year 2023.

As informed earlier, in order to bring uniformity and to have authenticity of the meet, it is imperative that we need to standardise the TSR system. It is, therefore, decided that only the system/vendor approved by the AFI is acceptable and no organiser will be allowed to use their own vendor.

AFI is making efforts to have live telecast of all the events organised under the banner of AFI, trying to streamline the live coverage, introduce the graphics and more information for the benefit of spectators. There are certain obligations towards the sponsors, so, it has become necessary that high standard live coverage should be provided.

It has been observed that some of the organisers do not want AFI vendors to cover the event. It is mandatory to have the vendor duly approved by AFI only as regards to TSR and live coverage. You are requested not to push your own vendor. You are also required to provide all necessary assistance to the vendors for successful coverage of the meet.

Regards

Ravinder Chaudhry  
Secretary, AFI
