All Affiliated State Units – AFI

Subject: Conduct of ONLINE District Technical Officials' (DTO) Examination.

Dear Colleagues,

I am pleased to inform you that AFI will be conducting **ONLINE** District Technical Officials' (DTO) Examination from 26 June 2023 to 16 July 2023.

As you are aware that AFI is making its efforts to make every District Association self-reliant. Every District should have adequate number of DTOs to conduct their district meets efficiently and transparently. You are required to instruct the Presidents and Secretaries of all districts in your state to ensure maximum participation from every district which will enable them to conduct their district meet independently without taking help of outside officials. This will also create awareness amongst all the districts as well as it will involve all districts very effectively in the developmental programmes of AFI.

The details of this examination alongwith eligibility criteria have already been posted on AFI website which can be accessed by clicking on the following link:

The last date of registration of this course is 16 June 2023.

I look forward to have your cooperation.

Regards,

Ravinder Chaudhry
Secretary, AFI
