Circular No. 17-03/2023

March 18, 2023

To

All Affiliated State Units – AFI

Dear Sir/Madam,

In the recently concluded Executive Council Meeting of AFI held at Kaziranga, Assam on 13 and 14 March 2023 lot of important issues were discussed. It was decided that it is necessary for AFI, state units and district units to have a professional operational structure. It was decided to decentralise the entire work since AFI is committed with decentralization of the work and we have to move together and strive for excellence. It should be divided between the technical, coaching and administrative segment. There has to be clear distinction in the role of the Association and appointed coaches and technical officials. The principal office bearers of AFI/State Associations cannot play all roles. In order to bring better results, a clear division needs to be made which will surely bring efficiency and transparency.

Regards,

Ravinder Chaudhry
Secretary, AFI
