CIRCULAR NO: 24-05/2023

Dated: May 09, 2023

The President/Secretary
All Affiliated District Units-AFI
All Affiliated State Units-AFI

Subject: Non receipt of bank account details for transfer of money.

Dear Friends,

At the outset once again I would like to thank you for your participation and your interest in running the District Association transparently and efficiently. So far 599 districts took part in the recently held NIDJAM at Patna.

As promised by AFI that their travel grant will be sent directly to their District account for which you have to send us the details of your account, PAN number etc., it is seen that very few districts have sent details so far. We are waiting for the money to be transferred to your account only once we get details from all districts. AFI extends the time limit to 25 May 2023 and if no bank account details from districts are received, it will be presumed that you are not interested to run your District Association transparently and no payment will be made to those districts.

All those districts who have already sent details will receive the payment by the end of this month as the sponsors want the money to be sent in one go, that is why we are waiting for the others.

We apologise for the delay in sending the payment due to non-compliance of the AFI rules by certain districts. Please note that no further extension will be given and those who fail to send details by 25 May 2023 will not receive their payment.

Regards,
Yours sincerely,

Ravinder Chaudhry
Secretary, AFI
