Subject: Talent Scouting Programme

Dear Colleagues,

As you are aware that AFI, in collaboration with Sports Authority of India (SAI) and REC Ltd. (Rural Electrification Corporation Ltd.) is organising Talent Scouting Programme at different centres in the country. It is expected that approximately 1000 athletes who were identified during the National Inter District Junior Athletics Meet (NIDJAM) held at Patna, will be attending this two weeks' training camp.

It has been brought to our notice that some of the personal coaches are not allowing these youngsters to join this ambitious programme of AFI and SAI. You are requested to kindly ensure that no individual should stop these athletes from attending this training camp. Please send us the names of those coaches who are discouraging the young athletes to attend this camp. Your cooperation is solicited.

Regards,

Ravinder Chaudhry
Secretary, AFI
