Circular No. 35-07/2023

July 05, 2023

To

All Affiliated State Units – AFI

All Affiliated District Units – AFI

Subject: Conduct of District Technical Official (DTO) Examination

Dear Colleagues,

Please refer to the earlier circular as regards the DTO Examination to be held in July 2023.

It is noted that very few officials are appearing in this examination and some of the states have either one candidate or nil. In the absence of qualified DTOs it is not possible to conduct district meets effectively. This also indicates the interest of District Associations and State Associations towards making the districts self-reliant in conducting their District Meet without any outside help.

I take this opportunity to request you to please ensure that every district must have at least 30-40 Technical Officials.

Regards

Ravinder Chaudhry
Secretary, AFI
