Dear Colleagues,

This is to inform you about the selection criteria for the relay team members who will be representing India in the upcoming Olympics in Paris.

The relay team members will be exclusively chosen from the participants of the National Coaching Camp currently underway at the SAI centres under AFI. It is crucial to note that no external athletes will be considered for selection. This decision was collectively made during the Annual General Meeting (AGM) of AFI held on 20 & 21 October 2018.

Further, it is informed that you should give a wide publicity, especially among the 400m Runners about this, so that athletes are not misinformed and get confused regarding the decentralisation of the coaching camp. Once again it is informed that the decentralisation of the coaching camp will be initiated in a phased manner post Olympics 2024.

Thank you for your attention to this matter, and we trust that you will take the necessary actions to communicate these guidelines effectively.

Should you have any queries or require further clarification, please feel free to contact the AFI office.

Regards,

Ravinder Chaudhry  
Secretary, AFI
