Dear Athletes,

It is brought to the notice of AFI that a lot of athletes are either avoiding or are not able to fill the information regarding their whereabouts.

In this connection, it is pertinent to mention that the submission of whereabouts to National Anti Doping Agency / World Anti Doping Agency / Athletics Integrity Unit is a mandatory requirement to be eligible for participation in any competition in India or outside India. Some of the athlete(s) are facing repercussions due to the non-compliant status of their whereabouts submission in ADAMS as it may lead to a filing failure and a notice of apparent filing failure is being issued to the concerned athlete(s).

In view of the above, you all are therefore requested to be very careful and under no circumstances avoid or delay to fill the whereabouts. It may be noted that the missed test and non-compliant status of whereabouts submission in ADAMS will lead to serious consequences on the athlete and he/she will be solely held responsible for the same.
