Circular No. 12/02-2024

Dated: 28.02.2024

To

All Affiliated State Units - AFI

Dear Colleagues,

In continuation to our earlier circular in which it was informed that the Selection Committee has only right to select the state team and no one else from the State Association has the right to select the state team. It is, therefore, decided that the date of the meeting of the Selection Committee of the state must be informed to AFI well in advance and arrangement for the virtual attendance of the AFI representative who will only present during the meeting without any interference in the proceedings but only to see that the team has been properly selected by the Selection Committee and report of the same should be forwarded to AFI. No entry will be accepted in case AFI representative is not present virtually in the meeting.

This has been done to ensure that the Selection Committee of the State Association must work independently and transparently.

Regards

Ravinder Chaudhry
Secretary, AFI
