To

All Affiliated State Units – AFI

Dear Sirs/Madam,

This is in continuation to my letter in which it was informed that there were over 600 districts who took part in the recently concluded National Inter District Junior Athletics Meet (NIDJAM) held at Ahmedabad.

Some of the districts sent their entries but did not come for participation. You are requested to take immediate action against those districts in consultation with AFI.

There are some districts who sent their teams for participation but did not conduct their district meet. We are in the process of identifying such districts to disaffiliate them. You are also requested to send your report in this regard within next seven days, enable us to take action against them.

Regards,

Ravinder Chaudhry
