Circular No. 39/07-2024

July 09, 2024

To
The Secretaries
All Affiliated District Units – AFI

Dear Colleagues,

The Athletics Federation of India (AFI) is very deeply involved in the development of Athletics in the country and its flagship programme is National Inter District Junior Athletics Meet (NIDJAM) where the athletes can participate at the grass root level and get chance to participate in the national level through their districts. AFI is responsible for paying the free travel to these apart from free boarding and lodging. AFI has repeatedly requested all the districts to send their district bank account number alongwith PAN number, enable us to transfer the money to these districts, but unfortunately 344 districts have not passed on this information to AFI.

You are requested to open your bank account and send details to AFI not later than 25th July 2024, failing which it will be considered that your district is not active and action will be taken accordingly.

I would also like to remind you that lot of districts who failed to send their teams for NIDJAM were disaffiliated and State Associations will be asked to make new Office Bearers who can run Athletics activities and function efficiently.

Regards,

Ravinder Chaudhry
Secretary, AFI
