Circular No. 40/07-2024

9 July, 2024

To

All Affiliated State Units- AFI

Dear Sir/Madam,

It is observed that many athletes were not entered for the National Inter State Senior Athletics Championships 2024 due to their non participation in their State Meet. It is a good step by the State Associations and Athletics Federation of India which encourages participation of athletes in state meets in order to strengthen the athletics activities at the State Level.

As the coaching camps have been stopped and Athletics Federation of India advocates for decentralization of training in future, no entry will be accepted from the State, if an athlete has not participated in their State Meet. If any exemption is required, the request should be made to the Secretary of the concerned State Unit which will be finally approved by the Athletics Federation of India.

It also becomes necessary that the State Meets must be conducted during the slots allotted by the Athletics Federation of India for the conduct of State Meet. These slots are given keeping in mind the International & National calendar.

Once again, we appreciate your efforts to strengthen the activities at State Level to develop the athletics.

Thanking You,
Yours Sincerely

Adille Sumariwalla
President, AFI
