

Circular No.: 02/01-2026
6 January 2026

The President/Secretary
All Affiliated District Athletics Associations

Dear Sir/Madam

Happy New Year!

In continuation of our earlier circular, it has again brought to the notice of AFI that many Principal Office Bearers of the Districts are not the residents of that particular district, which is resulting in no Athletics activities taking place in that district.

AFI is making an endeavour to develop Athletics in each and every district of the nation. Electing a person as a Principal Office Bearer who is not a resident of that district impedes the development of Athletics in that district. It is therefore important to ensure that only residents of that district can be an office bearer of the said district.

You are requested to please send a copy of the Adhaar Card of the President, Secretary, and Treasurer of the District Association, along with the information sought in the attached format. The above information must be sent to AFI by not later than 31st January 2026. If this information is not received within the stipulated timeline, the defaulting District Association will stand suspended till the time the final enquiry is conducted by the committee appointed by the President, AFI. The committee shall comprise of the followings:

1. Nominee of AFI
2. President/Secretary of the State Athletics Association
3. One member (Active athlete/official) from the state to be nominated by the President, AFI, in consultation with the State Athletics Association

Regards

G. Srinibas Patnaik
