All Affiliated Units  
Athletics Federation of India

**Subject: Meet Manager Course**

Dear Sir / Ma'am,

I would like to inform you that the Athletics Federation of India (AFI) is in process to upgrade its coaching system & Education, technical official's education, technical conduct of the meets and various other areas. To ensure our events are conducted successfully and transparently, we recognize the critical role of online entry, Timing, Scoring, and Result (TSR) systems, and meet manager software in providing authentic/ transparent results.

As part of this initiative, AFI is in process of establishing/recognizing B-level TSR service providers to provide TSR for the state and the district level meets. We will utilize the Meet Manager software, which is integrated with the TSR systems, to generate accurate results. While AFI has been using this software from a very long time however, we have found that many people are still unfamiliar with it. To address this gap, we aim to educate and upgrade our state units on its use to enhance transparency in conducting meets.

To facilitate this, AFI will be conducting a short course from 5<sup>th</sup> to 8<sup>th</sup> March 2026, at SAI NS NIS Patiala. The course fee is ₹15,000 per person, which will cover seminar fees, boarding, and lodging for the duration of the course. It is mandatory for each state unit to nominate the name of two person with computer knowledge, to effectively assist with their meets and support the state units.

In this regard, the Registration Link for the Course is provided below:

<https://ors.indianathletics.in/#/login>

The Affiliated Units can login on the link through the Username and Password which is allotted to them by the AFI and nominate the name of the respective candidate from their unit by no later than 25 February 2026.

Regards
