Athletics Federation of India

Subject: Mandatory Submission of Digital Results by State / UT Associations

Dear Sir / Ma'am,

With reference to our earlier correspondence regarding the submission of results of State-level meets and competitions to the Athletics Federation of India (AFI), it has been observed that several State / UT Associations are not forwarding the official results to AFI upon completion of their events.

In this regard, all affiliated State / UT Associations are hereby informed that it is mandatory to submit the complete digital results of their respective meets/competitions to AFI within 24 hours of the conclusion of the event.

Further, it is also mandatory for the concerned State / UT Association to upload and publish the official digital results on its website to ensure transparency, accessibility, and proper record maintenance.

Please note that AFI shall not recognise or consider any performance achieved in a competition/event/meet, the results of which have not been officially submitted to AFI in accordance with this directive.

All State / UT Associations are required to strictly comply with this instruction. Non-compliance may result in the non-acceptance of entries of athletes from the concerned State / UT Association for participation in National-level competitions.

Regards
