Athletics Federation of India

Subject: Maintaining & Updating of State Associations Website

Dear Sir/Madam,

This is in continuation to the financial grant given to all the units by AFI for the year 2025 which includes the allocation of funds for the website. However, it is observed that many states have no website for a long time. Some of them who are having their website, are also not updating the contents on their website.

You are required to take appropriate action within seven days' time to update the information which should include the list of Office Bearers, date of election, Annual Competition Calendar of your state, results of your state Athletics championships till 2025 and all other information which is mandatory to be the part of website. All this information should be posted within next seven days.

Your compliance will be highly appreciated.

Regards,

G. Srinibas Patnaik
